

# Lawrenceburg Bourbon Co. Wins International Gold Medal – in First Year

Lawrenceburg Bourbon Company has earned a Gold Medal at the prestigious American Distilling Institute, International Spirits Competition.

Lawrenceburg Bourbon's, One Cask Bourbon Whiskey scored 94/100 points, and was ranked as "exceptional" by ADI judges. "Just beautiful, shows age nicely...leaves a golden glow and harmonizing finishing notes. Bright fruit, warm, golden, easy flow between nose and palate."

Lawrenceburg Bourbon, One Cask Series (OCS) is bottled single barrel and cask strength after aging in new French oak casks for a minimum of 4 years. Depending on the barrel, the bourbon hovers around 120 proof, with a mash bill of 71% Corn, 21% Rye, 4% Malted Barley.

Reacting to the news, LBC Founder, Greg Keeley commented. "To earn a gold medal from the American Distilling Institute in our first year is mind-blowing. I am so proud of our small team and thankful for the support of the Anderson County community. There are some exciting developments coming from LBC, so please stick with us."

"Since 2007, ADI has upheld the highest standards in the industry by giving our judges the freedom to only award the very best," said Erik Zandonna, Director of the ADI International Spirits Competition.

### Judge's Feedback

<b>What is good about this spirit?</b>	Bright fruit, warm, golden, easy flow between nose and palate
<b>How could it be improved?</b>	Just beautiful; shows age nicely without being too tannic; though quite hot (would love to taste at slightly lower ABV like 48%), leaves a golden glow and harmonizing finishing notes
